

Rural Municipality Map Showing SARM's Six Divisions

According to the provisions of the SARM Bylaws, the province is divided into six divisions, each division being entitled to elect one representative to serve on the Board of Directors. As follows, the municipalities are divided into six divisions, each municipality being designated by number only. At a time to be stated by the President the delegates from divisions 2, 4 and 6 will assemble in divisional meetings and each division will elect one of its number who will become a member of the Board of Directors for said division for a two-year term or so long as he/she remains eligible to serve in that capacity.
