

LEGAL SERVICES REPORT – 2009

The following is a report on the SARM Legal Services Department for 2009.

In 2009 our primary task continued to be providing advice and representation to the SARM Liability Self-Insurance Plan, accounting for 44% of our time.

As at year-end a total of 32 claims files remained open, of which 11 were opened in 2009.

The number of requests for advice from RMs remains steady. Responding to these requests accounted for 44% of our time in 2009.

We trust this is satisfactory and look forward to continuing to work with you in 2010.

Respectfully yours,

Michael Morris and Teresa Edwards
SARM Legal Services Department
